

# 2011/2012 Canteen Duty (Oct 15 - Dec 31)

## Canteen Information: Please Read

The most current version of this schedule can also be found on our website at [www.warrenarena.com/canteenduty.html](http://www.warrenarena.com/canteenduty.html), and a hard copy can be found in the canteen.

### General:

- 1) Why do you have to work the canteen? At the end of the season, each user group (Minor Hockey, Ringette, and Skating Club) is given a percentage of the proceeds earned (based on the number of weeks they worked). This aids tremendously in keeping our registration costs down.
- 2) The Canteen will be open for 24 weeks in 2011/2012. Minor Hockey (scheduled for 17 weeks); Ringette (scheduled for 5 weeks); Skating Club (scheduled for 2 weeks).
- 3) Minor Hockey shares their 17 weeks of Canteen shifts (per player), and each player should expect around 4 shifts/season (2 before the new year, and 2 after). For any Minor Hockey players that register After Oct 1'11, you will be scheduled for All 4 of your shifts in the new year.
- 4) Minor Hockey shifts were scheduled by random **Team Name**, and then alphabetically by the **Players Last Name** for ease of population... which results in "luck of the draw".
- 5) Only 1 parent name has been listed for ease of population, however it is understandably up to your family who will work the shift.
- 6) Team/User Group Managers are asked to assist with reminding parents of upcoming shifts for your team/user group.
- 7) It is a team responsibility to ensure 1 extra worker (from your team of parents) helps in the canteen for all shifts during your tournament.
- 8) It is a team responsibility to open/work the canteen if you schedule a game OR tournament during non-canteen hours.
- 9) It is a community/user responsibility to help out in the canteen if you are at the arena, and see that help is needed.
- 10) An instruction manual can be found in the canteen, for those that are unfamiliar with some of the operations/procedures.

### Shifts:

- 1) You are responsible for shifts you have been scheduled to work on. If you are unable to work your shift, you are required to make other arrangements... whether that be changing shifts with other parents, or hiring a student. The listing of 'Students Available for Hire' (at a rate of \$8/hr), can be found at the end of this document and posted at the canteen.
- 2) If you hire a student to work your shift, you are required to pay them PRIOR to them working the shift. You are also required to provide them with at least 24 hours notice if the shift you have hired them for is cancelled. If you do not provide the student with at least 24 hours notice, then you are still required to pay them.
- 3) If you hire a student or change shifts with another parent, please note this on the copy posted at the canteen (a column has been provided for this).
- 4) The 'Ice Schedule' can be unpredictable at times. Given this, a representative from each Minor Hockey Team, Ringette, and the Skating Club is responsible for checking the 'Ice Schedule' at [www.warrenarena.com/iceschedule.php](http://www.warrenarena.com/iceschedule.php), to ensure that you will have enough workers, and/or to ensure that you don't have too many workers... for shifts that your team/group has been scheduled for (this should be done 2-3 days before your shifts commence). If it is determined that EXTRA workers are required, please contact your user group President for funds to hire a student. If it is determined that LESS workers are required, let the applicable parents know that their shift has been cancelled... again, "luck of the draw".
- 5) Under NO circumstances are your kids allowed to work in the canteen for you. The ONLY people that can work in the canteen are parents of players, and students that have been hired/trained by Bev Stewart.

### Standard Hours:

These are the "standard" canteen hours, however they are subject to change, as the 'Ice Schedule' can be unpredictable at times. Your team/group representative should notify you in advance if you will need to work later than what you're scheduled for, or if you won't need to work your shift at all.
